This Boeing 737-500 has recently undergone extensive maintenance and engineering work and has been converted to a VIP configuration in April 2010. The aircraft has been completely refurbished to the highest standards. The new owner will benefit from the millions of dollars and thousands of man hours that have gone into completing this VIP conversion.

Interior/Exterior

The exterior has been painstakingly repainted and the interior has been finished to a very high VIP standard.

The exterior of the aircraft has had the original paint removed, and has been totally repainted and refinished to a very high standard. In addition all leading edges and engine nacelles have been polished.

The Cabin Interior has been refurbished and all sidewall panels, ceiling panels, hat rack's, bins and PSU's have been upgraded, replaced or repainted, new cabin curtains have been installed, the bulkheads have been recovered and a new 100% wool VIP quality carpet has been fitted throughout the cabin.

The forward section of the aircraft is in "Club 4" configuration, with 16 cream leather seats around 4 HI – LO tables which also convert into 8 sleeping positions.

Both cargo holds have been totally refurbished and new cargo nets fitted. The undercarriage bays have been cleaned and re protected.

All four brakes have been refurbished, and new wheels and tires fitted.

The aircraft is equipped with a 16 place compliment of first class equipment including new Noritake 16 piece bone china service. Quality 16 place cutlery set, high quality Damascus bedding for 8 passengers, 4 fitted mattresses allowing each club 4 to convert into a double bed. 16 quality first class seat cushions 16 first class place mats and napkins together with a host of other new equipment to service the first class cabin. Equipment for the rear cabin consists of 56 business class meal lay ups, large quantity of glasses, cups, serving dishes, coffee pots, etc, etc. to enable service to the rear cabin.

In summary, this aircraft is equipped with new equipment throughout and is ready for Immediate service.

About Executive Aircraft Sales

Executive Aircraft Sales (EAS) is a specialized aircraft sales company providing highly personalized and client tailored services to governments, corporations and high net worth individuals. With offices in Abu Dhabi and Moscow we strive to provide our clients with an unparalleled access to aircrafts that meet their aviation needs. EAS is an independent Broker/Agent, with no exclusive affiliations to any manufacturers. The company's basic philosophy is to serve its clients in determining which aircraft – new or pre-owned – best suits their needs. Flying profiles, operational, technical, financial and commercial aspects will be used in the analysis to help develop customized solutions.

To find out more about this aircraft or any other EAS listings, please contact **Emad Sharghi** in the Middle East offices at +971-2-667-5524 es@execairsales.com or **Alexei Gretchikhine** in the Moscow office at +7-916-707-0173 ag@execairsales.com.
