Aircraft Exterior

General Information

Status Date:	March 2013
A/C Type:	Airbus A318-112 Elite
Year:	2009
Number of Seats:	19
Location:	UAE
Total Time:	498
Cycles:	1514.44
Entering Service:	July 2010

Weights:

Maximum Ramp Weight (MRW)	68400 kg
Maximum Take Off Weight (MTOW)	68000 kg
Maximum Landing Weight (MLW)	57500 kg
Maximum Zero Fuel Weight (MZFW)	54500 kg
Engine Thrust	23520 lbs

This new member of the Airbus aircraft family typically seats up to 19 passengers flying larger groups than traditional business jets, making it ideal for big companies, government delegations, and extended families. With the widest and tallest cabin of any business jet, the A318 Elite also delivers unprecedented comfort, space and freedom of movement.

The Airbus Elite 318+ can fly up to 9 hours non-stop. Two additional center tanks (ACTs), fitted in the rear cargo-hold delivers this intercontinental range, while leaving plenty of space for passengers' baggage.

This luxurious aircraft features an attractively elegant cabin with an extra bathroom, and a settee that converts to a double-bed, which will meet the needs of discerning travelers and makes them feel at home.

About Executive Aircraft Sales

an Alliance with Avjet

Executive Aircraft Sales (EAS) is a specialized aircraft sales company providing highly personalized and client tailored services to governments, corporations and high net worth individuals. With offices in Abu Dhabi and Moscow we strive to provide our clients with an unparalleled access to aircrafts that meet their aviation needs. EAS is an independent Broker/Agent, with no exclusive affiliations to any manufacturers. The company's basic philosophy is to serve its clients in determining which aircraft – new or pre-owned – best suits their needs. Flying profiles, operational, technical, financial and commercial aspects will be used in the analysis to help develop customized solutions.

The **Avjet - EAS alliance** provides for collaborative efforts in transacting aircraft sales and acquisitions in the region, as well as other markets around the globe. The alliance focuses on sales, acquisitions, management and charter operation of large-cabin aircraft, including the Boeing Business Jet (BBJ), Gulfstream aircraft and Global Express aircraft.

To find out more about this aircraft or any other EAS listings, please contact **Emad Sharghi** in the Middle East offices at +971-2-667-5524 es@execairsales.com or **Alexei Gretchikhine** in the Moscow office at +7-916-707-0173 ag@execairsales.com.
