About Executive Aircraft Sales

Executive Aircraft Sales (EAS) is a specialized aircraft sales company providing highly personalized and client tailored services to governments, corporations and high net worth individuals. With offices in Abu Dhabi and Moscow we strive to provide our clients with an unparalleled access to aircrafts that meet their aviation needs. EAS is an independent Broker/Agent, with no exclusive affiliations to any manufacturers. The company's basic philosophy is to serve its clients in determining which aircraft – new or pre-owned – best suits their needs. Flying profiles, operational, technical, financial and commercial aspects will be used in the analysis to help develop customized solutions.

To find out more about this aircraft or any other EAS listings, please contact **Emad Sharghi** in the Middle East offices at +971-2-667-5524 es@execairsales.com or **Alexei Gretchikhine** in the Moscow office at +7-916-707-0173 ag@execairsales.com.
